From the creators of the "Park Kultury" restaurant  
and the specialty coffee house "TEMP"

neyerka

A delicious place that skillfully changes  
its role throughout the day.

In the morning this is a bakery with an attractive  
aroma of fresh bread and muffin. The work of bakers,  
which can be watched endlessly, this is a special,  
no equivalent performance.

In the evening, this space transforms into  
a restaurant. Dim lights, special menu and music,  
elegant atmosphere.
